

SUTHERLAND HEALTH LTD

Quality Policy

SUTHERLAND HEALTH LTD is committed to the supply of medical devices, nutritional & personal care products and services which fully meet our customers' requirements first time, on time, every time, through a system of quality management affecting all aspects of the operation, meeting the appropriate standards and legislation and continuously striving to improve the quality of products and service.

Achievement of the policy will be through training and ongoing assessment, and will be the collective responsibility of all employees of the company. The policy will be reviewed at least once a year, to ensure it remains relevant to the company.

The objectives for the Quality Management system will be established and reviewed regularly as part of a Management Review process and are designed to meet the overall business objectives of the company.
