# Why select Condomania condoms?

For a number of years Condomania has offered a wide choice of quality condoms and lubricants, and in consultation with professionals within the NHS has developed its own brand of quality condoms.

We have listened to all the problems that people have with conventional condoms and produced an innovative range that will help to meet many of your clients needs. Condomania condoms are...

- **Specially manufactured to decrease the risk of allergy by a process that reduces the level of protein in the latex**
- **Produced to an enhanced formula that creates a silk-like latex**
- **Available in a range of shapes and sizes to cater for most needs**
- **Available via NHS Supply Chain or direct from ourselves**
- **Vegetarian Society approved and suitable for both Vegetarians and Vegans** 
- **CE marked and conform to the European Standard ISO 4074**
